Wet Studio Rentals - General Information

Directions to the SEFAA Center:

- Enter 3400 W. Hospital Ave. into your GPS to get to the main entrance for our complex.
- Turn in between the low, curved concrete signs, drive to the end of the road, and you'll see our small building.
- You may want to post signs at the W. Hospital Ave entrance and throughout the property to direct attendees to your meeting. Signs are available in the SEFAA Center. Please return them to the Center before you leave.

Parking:

- There is one handicap parking space in front of the SEFAA Center.
- Parking is limited at the SEFAA Center, but you can unload there and then park elsewhere in the complex. However, please don't park in front of any loading areas/ramps because they are in constant use and it severely inconveniences our nice neighbors.
- Please encourage your attendees to carpool and use public transportation.

Entering the SEFAA Center: Your reservation confirmation email will include instructions about using the door lock.

Wet Studio Amenities:

- **Equipment**, including: raised work tables, washer, dryer, sink, 4 hot plates, irons, ironing boards, 2 electric kettles, stockpots, stirrers, scales, digital timers, mortar & pestle, measuring cups and spoons, beakers, colanders, plastic bottles, buckets, spray bottles, thermometer, aprons, hair dryers.
- **Safety Equipment**, including: Eyewash station, fire extinguisher, disposable dust masks and gloves, oven mitts, respirator, first aid kit.
- **Dyes:** Dyes are available for a limited time thanks to a generous donation. When they are gone you will need to supply your own. Currently, our stock includes Proxion MX fiber-reactive dyes, Washfast acid dyes, natural dyes, and Rit liquid dyes.
- **Dye Chemicals:** Soda ash, methyl cellulose gum, ammonium sulfate, Glauber salt, citric acid crystals, alum, cream of tartar, tannic acid, copperas, urea, Spectralite, Synthrapol, laundry detergent.
- **Cleaning Supplies:** Soap, towels, sponges.

Basic Amenities at the SEFAA Center:

- **Utilities:**
 - **Heating and air conditioning:** There are separate thermostats in the Multipurpose Room and the Kitchenette/Library. They have been programmed for normal usage hours. If you need to adjust the temperature, follow the instructions posted at the thermostat to set a new HOLD temperature.

Wet Studio Rentals - General Information

- **Electricity:**
 - Light switches are located throughout the facility.
 - Wall and drop-down ceiling outlets are available throughout the facility.
 - Extension cords and power strips are stored in the corner of the Multipurpose Room.
- **WiFi** is available. Your reservation confirmation email will include the guest access code.
- **Restrooms:** One is in back corner of the Kitchenette/Library and the other is in the hall located to the right of the water heater closet in the Kitchenette/Library.
- **Tables and chairs:** There are 20 tables and 40 chairs available for your use.
- **Overnight Storage:** For multi-day rentals, you may leave items overnight. SEFAA is not responsible for items left overnight.
- **Trash and Recycling:**
 - Trashcans are located throughout the SEFAA Center.
 - There are separate bins provided for recycling paper, aluminum, glass, and plastics labeled 1-
Please ensure items are rinsed clean before recycling them.
- **Refreshments:**
 - The refrigerator, microwave, coffee pot, and teakettle in the Kitchenette are available for your use.
 - Food and beverages are not allowed the Wet Studio area for health and safety reasons.
 - A Menu box near the front desk contains listings of some nearby restaurants and some menus.

Your Responsibilities:

- Provide the fabric, yarn, other materials to be processed in the Wet Studio.
- Provide your own apron/smock and closed-toed shoes to work in the Wet Studio.
- **Complete a 1-hr Orientation-Safety Training session prior to renting the Wet Studio for the first time.** (Note: You may be required to attend subsequent training sessions before future rentals if/when the material covered in the training session is substantially updated.) Email WetStudio@fiberartsalliance.org to set up a session.
- You are responsible for your own safety and for implementing safety procedures for all extra participants present during your rental.
- Never bring Wet Studio utensils, tools, or materials into the Kitchenette/Library.
- Wash/rinse everything used in the Wet Studio (utensils, tools, equipment, textiles, etc.) only in the Wet Studio sink.
- Leave the Wet Studio promptly within 15 minutes of the end of your rental period.

Before You Leave the SEFAA Center:

- Return tables, chairs, equipment, and supplies to where you found them.

Wet Studio Rentals - General Information

- Leave the Wet Studio as you found it – all equipment cleaned and put away, sink clean, washer and dryer empty, tables wiped down, floor swept, and trash bins emptied. Cleaning supplies are in the water heater closet in the Kitchenette/Library.
- Bag all trash and replace trash can liners as needed. Leave trash in the dumpster by the 3410 building on the left as you leave the complex.
- Take all left-over food with you.
- Ensure that the Main Room and Kitchenette/Library thermostats are in AUTO mode.
- Turn off lights in the Restrooms, Kitchenette/Library and Main Room. (There is one light in the hallway between the multipurpose room and the Kitchenette/Library that cannot be turned off.)
- Close all interior doors.
- Check that the building is locked.

If You Need Help:

- **Non-Emergency:** Email wetstudio@fiberartsalliance.org or call 770-639-6176 (Rentals Chair) or 678-235-4328 (SEFAA main number).
- **Emergency:** Call 911.
